DELIVERING GOOD NEWS OF GREAT GETAWAYS!

HAPPY CHRISTMAS TO ALL OUR GUESTS

WELCOME TO OUR 2015 EDITION OF LE NOUVEAU BULLETIN!

A huge Thank You to everyone who has written reviews on TripAdvisor. We are very proud to have received a Certificate of Excellence earlier this year.

Our pleasure is knowing that all our guests have thoroughly enjoyed their stay at Les Petites Cigognes. Each year it is our pleasure to welcome back over 30% of our guests. Of course all new guests also receive a very warm welcome.

A wide variety of birds and animals visit Les Petites Cigognes. This Little owl regularly keeps watch from the top of the barn whilst a Barn owl nests inside and Tawny owls in the woods nearby. Many will recall seeing deer wandering across our fields or hearing boar scuffle in the ditches at night. This year saw the first nuts produced on our hazel trees; hopefully this will encourage a still wider range of wildlife in and around our grounds.

One of our many highlights of the year was to welcome Lulu back to the house in which she was born. She gave an interesting insight into life here in the 1980's and 90's. This time she was with her new husband. We were delighted for them to have photos taken in the grounds. We wish them every happiness in the future.

Thank you Adam for the superb sketches you produced during your stay this summer. We look forward to seeing you and your sketches again next year.

The annual Rose Festival at Chedigny is always a good visit. How do they get so many roses to grow in such a small village?

This year's Comice d'Agricole was held in Descartes. As always there was great support; the floats, gardens and wide variety of other attractions for the weekend were adored by all.

This year we found a wonderful chateau at Valencay. The interior rooms are fully furnished and very interest. The kitchens are exceptional. Using the buggy to tour the gardens and woodland made it a very relaxing day! There are many good restaurants nearby.
