Wow! What a year this has been. The weather has been incredibly hot for most of the year with temperatures reaching more than 45°C in the sun on a number of occasions.

Bookings for 2019 already far exceed those normally received before Christmas. This year 25% of our bookings were from those who have visited before. If you are looking to book for 2019 our website now has the facility to check availability and book directly online with payment by debit and credit cards. Don't forget to see our Special Offers too.

Sunshine, relaxation and fond memories of Cussay!

4-Star Award

In October we were thrilled to be awarded a 4-Star rating by Val de Loire Tourisme on behalf of the French Tourist Board.

During 2018 we've added new furniture in the courtyard and the Lodgement wall renovation is complete along with a coat of paint for the shutters.

Keep a watchful eye on what is to be seen at Les Petites Cigognes. Here is one of a pair of baby Little Owls and a hare

During the year we were delighted to provide accommodation for 2 wedding parties. At this wedding in May the bride is French and the groom Irish. The weekends were great times for us to enjoy the celebrations and we wish them every happiness in the future.

A unique view of Les Petites Cigognes with sunflowers surrounding us. In our 12 years here this is the first time sunflowers have been grown in adjacent fields.

Château Gaillard is a little gem in Amboise, close to Leonardo da Vinci's house at Clos Lucé. Gaillard is a small private chateau where the first orange trees were introduced in France. It has been beautifully restored since 2011 with excellent furnishings and gardens which are still being developed. It was our 'find' of 2018 and well worth visiting.
